Identifying different climate zones
Using digital mapping to calculate the food miles for our packed lunch

PE

Developing a Farm to Fork dance

Visit

The Sustainability Centre and Tractor ride around Lower Farm

'We rode across the countryside and had opportunities to stop and learn about the surrounding countryside. We saw sheep and cows. The farmer encouraged us to think about how farming affects the landscape around us, and to consider where our food comes from.'

Role Play

Farm Shop

Goal: Healthy Eating Display in Hall
