October 2017

Dear Parents,

Your child will be sitting their SATs during the week beginning of Monday 14th May 2018. In recent years, there have been changes to the arrangements for the various tests. There is no writing test; this is now assessed by teachers and moderated across schools.

Please see the box below which outlines the tests and dates.

| | |
|--------------------------------|---|
| Monday 14 th May | Reading paper |
| Tuesday 15 th May | Punctuation and Grammar Spelling |
| Wednesday 16 th May | Maths 1: Arithmetic Maths 2: Reasoning |
| Thursday 17 th May | Maths 3: Reasoning |

As well as the preparation taking place within school, we can offer you the chance to purchase two revision guides from a company called CGP.

We appreciate that some of our children have older siblings that have purchased similar revision guides in previous years but I would stress that the updated ones will reflect the demands of the new curriculum.

The cost of the Numeracy revision guide is £2.50 and the cost of the EGPS is £2.25. Both of these books would retail in shops at £4.95 each but, if bought through a school, a discount is available. You will find the revision guides on the website <https://www.cgpbooks.co.uk/School>.

There will be an opportunity to discuss SATs further at the Parents Evening later this term.

If you would like to purchase either or both of the books, please sign and return the following form to the school office along with the money by **Friday 20th October**.

Yours sincerely,

Miss Lander
