29<sup>th</sup> November 2017

Dear Parent/Guardian,

Thank you to the parents and guardians who attended the 2Simple workshops on Tuesday 28<sup>th</sup> November. We hope that you found these workshops useful.

As we appreciate that not all parents and guardians were able to attend the 2Simple Early Years workshops due to work and childcare commitments, we have attached the slides from the workshop onto this letter. Over the course of the Reception year, you will be sent six individual learner reports (in PDF format) via email in one area of the Early Years Foundation Stage, as well as a topic overview to celebrate your child's achievements.

We kindly ask that you provide us with an email address so we can send your child's individual learner reports directly to you. Please note that your email address will remain confidential and will only be used for your child's individual learner reports. If you have already provided the school with your email address, you should have received a confirmation email via the 2Simple website. Once this email has been confirmed, we will start the process of sending your child's individual learner reports in one area of the Early Years Foundation Stage. We will endeavour to send two individual learning reports by Christmas. Please contact Mr Milburn if you have any further questions.

Thank you for your cooperation and continued support.

Kind regards,

Miss Way and Mr Milburn
