December 2017

Dear Parents

As you will be aware, as part of our school behaviour policy, we reward children who display the 'Red Barn Way' by organising an end of term treat. The staff and children agreed that 6 white slips would be too many to receive an invitation to the end of term treat. The white slips are given for breaking the respect, safety and learning rule.

As we are coming to the end of the Autumn Term, we have arranged for children without six white slips to take part in Circus Skills workshops as their end of term treat.

The workshops will take place during the normal school hours. School lunch arrangements will remain the same.

We hope that your child enjoys the day as reward for displaying the 'Red Barn Way' throughout the term!

Yours sincerely

Sam Way  
Head Teacher
