

Get Set Grow

Learning Opportunities

Hook: Creating animal habitats

Communication and Language: Asking questions and talking about what we could see on our trip to the farm, sharing our trip with our friends and family at our end goal.

Personal and Social Development: Being independent and safe especially on our trip to the farm, building our resilience and perseverance this really helped us on sports day. Staying safe and being healthy.

Physical Development: In PE we focused on Athletics and preparation for sports day, we were all confident and amazing on the day. Handwriting skills and letter writing, using different tools such as paint brushes and scissors.

Literacy: We looked at a range of stories, non-fiction books and poems which inspired our writing which included invitations, cards, non-fiction texts and lists.

Maths: In class each morning we continued our purposeful daily maths looking at our lunch options and number of children in class. We also used our snack time to continue our snack shack.

Understanding of the World: We visited the farm, watched as our caterpillars grew and talked about the different ways people celebrate and view change.

Expressive Art and Design: We planned and performed in our end goal, we created animal masks using cardboard, different joining skills and Modroc.

End Goal: We invited our parents to come and watch our show, inspired by Red Barn's Got Talent. Everyone was involved from making tickets, writing the programme to performing on the stage.
