

Amazing Adventures Learning Opportunities

Hook: Starting School

Communication and Language: Story times, nursery rhymes, listening games and lots of talking.

Personal and Social Development: Practising independence, making friendships, talking about our feelings and our friend's, learning and following new rules.

Physical Development: Getting changed for PE, using bikes and trikes, messy play and using the hammer to decorate a pumpkin with golf tees.

Literacy: Sharing stories- We're going on a bear hunt, Stanley's Stick, Tree, Leaf Man and Room on the Broom. We have written about autumn and our stick adventures. We have learnt 20 new sounds.

Maths: In class each morning we practise counting lunch options and how many children we have in school. We made repeating patterns using natural resources.

Understanding of the World: We have been autumn detectives searching for clues autumn and weather people exploring and talking about the weather.

Expressive Art and Design: We have used our imagination to create and go on a range of stick adventures from the moon to the beach. We have had lots of role plays including an ice-cream shop, camping and a witch's potion kitchen.

End Goal: A welly walk where we found broomsticks and took off on a witchy adventure.
